Leicestershire County Council Elections Thursday 6th May 2021

Kevin has been helping residents for more than 20 years in the Gartree area. His 45 years of working in and around the NHS, before retiring in 2019, has given him a valuable perspective when sitting alongside his 20 years as county councillor, and 10 years as parish councillor.

Gartree is a very diverse division with many small villages feeding into the rural centres of the Kibworths and Great Glen. Kevin attends Parish Council meetings to hear about concerns first-hand and to pass on advice where requested.

Kevin says "It's been an absolute privilege representing the Gartree area and I would love to keep doing so for another four years, as it will need plenty of experience and time as we come out of the pandemic and work to build a greener future for Leicestershire. The misery caused in so many communities by speeding vehicles needs action."

OUR RECORD

WHAT WE'VE DONE

- **Provided Covid-19 support**
Organised testing sites, supported the vaccination rollout, provided financial support to communities, businesses, pubs and recruited volunteers to provide support ✓
- **Become Greener**
Reduced our carbon emissions by 73% and installed 68,000 LED lights across the County ✓
- **Connected the County**
Achieved 97% Superfast Broadband rollout in Leicestershire ✓
- **Made our roads safer**
Repaired over 9000 potholes and invested in average speed cameras and camera cars to tackle dangerous parking ✓
- **Invested in young people**
Created 30 new special schools and over 6400 new spaces in mainstream and SEND special needs schools; part of our £450m capital investment ✓

All of this, while being rated the most productive and efficient Council in the UK for 3 years by IMPOWER

OUR PROMISE

WHAT WE WILL DO

- **Become even greener**
Planting 700,000 trees (one for each County resident) and investing to reduce our greenhouse gas emissions even further, including via a solar farm and work with partners to improve air quality
- **Make our roads better and safer**
We want to prioritise our roads and pavements and have a £67m capital programme to further improve them across Leicestershire. We'll also be investing more in mobile average speed cameras to reduce speeding within our communities
- **Further connecting Leicestershire**
Investing more in Superfast Broadband to reach more rural areas especially in East Leicestershire and the last 3% of premises
- **Improving flood defences**
Working with partners and carrying out extensive gully cleaning to reduce the flooding risks faced
- **Manage your money carefully**
As Conservatives, we know how important it is to manage taxpayers' money efficiently. This is why we've invested in infrastructure across the County and been praised for our high productivity and efficiency
