Dear Resident,

I was born and raised in Thorpe Arnold in a large farming family. I went to school in Melton Mowbray, following which I attended Brooksby agricultural college. In my professional career I have always been connected with farming and the agricultural industry. I feel very fortunate to have lived and worked in the countryside and I am passionate about protecting our rural way of life but I also understand the challenges that it can bring.

For the last 35 years I have been involved with the National Federation of Young Farmers Clubs and still represent them on voluntary basis as the East Midlands Area President & National Vice President. I am a member of the Melton branch of the NFU and I have previously served as branch chairman in the year we had the foot and mouth outbreak in the Melton Borough, a very challenging time for everyone, not just for farmers.

Living in Long Clawson, I am active member of the village community having been on the village hall committee for over 20 years, most notably as a committee we instigated the new village hall build which has benefited not just the residents of Long Clawson but many other villages as well. I have also led a parent lobby group in the Vale of Belvoir to get Belvoir High School age ranged changed to age 16 so that pupils could take their GCSE's at Belvoir High School without disruption and after much hard work and lobbying, we were successful.

I strongly believe that the residents of our wonderful area should have equal opportunities to continue to live and work in the same area, I intend to work with you to ensure that we continue to enhance all aspects our communities.

I am contactable through email, telephone, letter, or text. I will make as many visits as possible whilst adhering to any Coronavirus restrictions but look forward to the brighter days out of lockdown when I can visit many of you to hear your challenges and views.

We live in a fantastic area and I would be absolutely delighted to serve as your County Councillor working with you to help every community thrive.

Don't forget you have two votes - one for your local County Councillor and one for the Police and Crime Commissioner.

With my very best wishes,

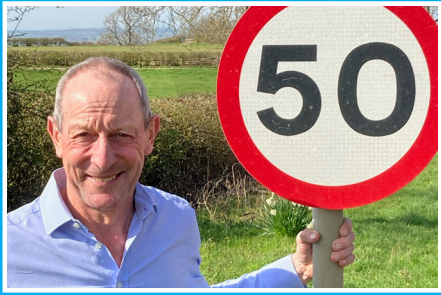

Yours sincerely,

Bryan Lovegrove

Conservative Candidate for Belvoir Division

BUILDING A GREENER FUTURE

SUPPORT MEASURES TO REDUCE SPEEDING

Speeding traffic is one of the greatest concerns within our area. I will work with communities to implement speed restrictions where they are needed. This will make our villages safer for all residents and road users.

PUSH FOR IMPROVED BROADBAND FOR ALL

Rural areas suffer with poor broadband speed. I will lobby for improved connectivity for all.

CUT THE RISK OF FLOODING

We have seen a greater incidence of heavy rainfalls which has been impacting homes and businesses. I will work with the affected villages to help reduce the risk of flooding.

6 Good reasons to Vote Conservative...

1 BUILD A GREENER FUTURE FOR FAMILIES

We will plant 700,000 trees across the County over the next four years as well as investing over £16m to reduce our greenhouse gas emissions.

2 PROTECT THE MOST VULNERABLE

We will work closely with communities, the NHS and partner agencies to ensure that those who most need our help and support get it.

3 IMPROVE OUR HIGHWAYS

We will invest in our highways and increase the number of cycleways and pedestrian routes across the County.

4 CONTINUE INVESTING IN BROADBAND

We will continue our roll out of superfast broadband across the County to benefit households and businesses who rely on a good internet service.

5 INVEST IN ADDITIONAL ROAD SAFETY

Speeding impacts all of our communities. It is our pledge to invest more money into average speed cameras to keep everyone safe.

6 IMPROVE FLOOD DEFENCES

We will continue to press the government to secure part of their £4bn budget for flood defences over the next four years.

RUPERT MATTHEWS

My Plan to make Leicestershire safer

Visible Policing - Will help to deter crime, improve security and make it easier to report problems

Hi-Tech Policing - Equipping frontline officers with drones, body cams and tasers, will give them the tools to keep us safer.

Local policing teams - They know their local area best. I will empower them to make the decisions which will keep their communities safe

Community Policing - Our police will work with our communities to better understand localised crime

More Police - I will put more police on to our streets and into our communities to cut crime and catch criminals.

Rural Policing - I will put in place a Rural Policing Plan to tackle the crimes that plague rural areas

Promoted by Adrian Thompson, on behalf of Rupert Matthews, both of LCCA, 18 Pinfold Gate, Loughborough LE11 1BE.

FIRST CHOICE for Police & Crime Commissioner
