Dear Resident,

I worked as a Nurse at Pedigree Petfood's for over 20 years. As your current local representative at Leicestershire County Council, I have been working hard on your behalf supporting local good causes and also being accessible at my regular market stall on Melton market on the last Saturday of every month.

During my time as your Councillor, I have been responsible for the Armed Forces Covenant in the County, ensuring that we protect and best serve those within our community who have served their country. This is something which is particularly close to my heart and I believe that our service men and women should be helped in settling in our wonderful part of the county. Nearly three years ago I started the Melton Veterans breakfast club held at the Harborough hotel on the first Saturday of every month.

I have also worked on Health and Wellbeing, which enabled me to use my background in healthcare, to make sure that our services are providing the right kind of care for the most vulnerable in our community.

I am passionate about giving younger people opportunities and as such, I started and raised funding for Melton Young Enterprise, which offers financial support to young people up to the age of 25 who live in Melton and require assistance with education or employment.

I live in the ward and I have a strong track record of working hard for local people and residents can come and raise any issues they have directly with me. I am seeking your support to continue to be your voice on the County Council for the next four years.

Don't forget you have two votes - one for your local County Councillor and one for the Police and Crime Commissioner.

Yours sincerely,

Pam Posnett

Conservative Candidate for Melton East Division

PROTECT OUR ENVIRONMENT

It is crucial that we protect our environment, so over the next four years, as part of our Leicestershire Green Recovery, we will be planting over 700,000 trees to improve the environment in and around our towns and County.

PRIORITISE HIGHWAYS

I will continue to work hard for highways improvements including the maintenance of our roads, the delivery of the Melton Distributor road and new cycle lanes.

INVEST IN SUPERFAST BROADBAND

With more of us working from home, its never been more important for us all to have superfast broadband. I will make sure that all of our homes and businesses have the access they need.

6 Good reasons to Vote Conservative...

1 BUILD A GREENER FUTURE FOR FAMILIES

We will plant 700,000 trees across the County over the next four years as well as investing over £16m to reduce our greenhouse gas emissions.

2 PROTECT THE MOST VULNERABLE

We will work closely with communities, the NHS and partner agencies to ensure that those who most need our help and support get it.

3 IMPROVE OUR HIGHWAYS

We will invest in our highways and increase the number of cycleways and pedestrian routes across the County.

4 CONTINUE INVESTING IN BROADBAND

We will continue our roll out of superfast broadband across the County to benefit households and businesses who rely on a good internet service.

5 INVEST IN ADDITIONAL ROAD SAFETY

Speeding impacts all of our communities. It is our pledge to invest more money into average speed cameras to keep everyone safe.

6 IMPROVE FLOOD DEFENCES

We will continue to press the government to secure part of their £4bn budget for flood defences over the next four years.

RUPERT MATTHEWS

My Plan to make Leicestershire safer

-  **Visible Policing** - Will help to deter crime, improve security and make it easier to report problems
-  **Hi-Tech Policing** - Equipping frontline officers with drones, body cams and tasers, will give them the tools to keep us safer.
-  **Local policing teams** - They know their local area best. I will empower them to make the decisions which will keep their communities safe

-  **Community Policing** - Our police will work with our communities to better understand localised crime
-  **More Police** - I will put more police on to our streets and into our communities to cut crime and catch criminals.
-  **Rural Policing** - I will put in place a Rural Policing Plan to tackle the crimes that plague rural areas
