### Dear Resident,

I am standing to be your voice at Leicestershire County Council at the local elections on Thursday 6<sup>th</sup> May. I have lived in Melton all of my life and have always been active in our local community by supporting local charities as well as community and education projects.

I was a lecturer at Brooksby Melton College before retraining as a guidance specialist. I am now a self-employed mentor who provides training to young people and adults in Melton by providing personal development and careers advice. I am particularly proud of our achievements when working with clients with hidden disabilities. I am passionate about working with our young people, nurturing local talent and making sure that we retain the skills that are vital to our town and its growth.

I contribute regularly on BBC Radio Leicester, highlighting training, employment and skills development opportunities in the county. I also deliver programmes in conjunction with the charities Princes Trust and Vista Blind.

Pre-covid, I was committed to hosting a number of charity and community events at Melton Theatre including serving the Melton Lions Club as their compère for the Senior Citizens Annual Concert.

I want to be your County Councillor to address the issues that matter the most to you and your family. I want to see more opportunities for our young people to remain in education and training locally and then for them to work in our town. I will make sure that the council prioritises mental health and care support to ensure that we are offering the best possible care to those who most need it. I will also work to bring additional investment into our town, so that we have somewhere we can work, socialise and that attracts tourists to our area.

Don't forget you have two votes - one for your local County Councillor and one for the Police and Crime Commissioner.

Yours sincerely,

*Mark Frisby*

**Conservative Candidate for Melton West Division**

### INCREASE OPPORTUNITIES FOR YOUNG PEOPLE

I will work to ensure that there are work, training and education opportunities for our young people, so that they can train and then work in the town that they have grown up in.

### PROTECT OUR MOST VULNERABLE

I will work with the Council to provide an increased provision of mental health and care support services for those local people who really need to access the services.

### INVEST IN OUR TOWN

I will work with the County Council to attract investment into our town so that we can all work, socialise and encourage tourists to visit our fantastic market town.

## 6 Good reasons to Vote Conservative...

### 1 BUILD A GREENER FUTURE FOR FAMILIES

We will plant 700,000 trees across the County over the next four years as well as investing over £16m to reduce our greenhouse gas emissions.

### 2 PROTECT THE MOST VULNERABLE

We will work closely with communities, the NHS and partner agencies to ensure that those who most need our help and support get it.

### 3 IMPROVE OUR HIGHWAYS

We will invest in our highways and increase the number of cycleways and pedestrian routes across the County.

### 4 CONTINUE INVESTING IN BROADBAND

We will continue our roll out of superfast broadband across the County to benefit households and businesses who rely on a good internet service.

### 5 INVEST IN ADDITIONAL ROAD SAFETY

Speeding impacts all of our communities. It is our pledge to invest more money into average speed cameras to keep everyone safe.

### 6 IMPROVE FLOOD DEFENCES

We will continue to press the government to secure part of their £4bn budget for flood defences over the next four years.

## RUPERT MATTHEWS My Plan to make Leicestershire safer

**Visible Policing** - Will help to deter crime, improve security and make it easier to report problems

**Hi-Tech Policing** - Equipping frontline officers with drones, body cams and tasers, will give them the tools to keep us safer.

**Local policing teams** - They know their local area best. I will empower them to make the decisions which will keep their communities safe

**Community Policing** - Our police will work with our communities to better understand localised crime

**More Police** - I will put more police on to our streets and into our communities to cut crime and catch criminals.

**Rural Policing** - I will put in place a Rural Policing Plan to tackle the crimes that plague rural areas
