## Dear Resident,

I am standing in the forthcoming County Council elections which will be taking place on Thursday 6th May. I have represented you and your family at Leicestershire County Council for the past 16 years and I have worked hard on your behalf during that time.

I have an excellent grasp of what matters to residents in the Melton Wolds Division, as I have lived and worked here all of my life. My heart and my work are in the countryside and I am passionate about defending our rural way of life.

As the Chair of the Police and Crime Panel, I am working with the Police and the Police and Crime Commissioner to reduce rural crime, which harms local lives and businesses. I want to work with the new, incoming Police and Crime Commissioner to lobby the Government to allow County Council's, rather than just the police, to enforce the 7.5 Tonne weight limit on our country lanes, which will make them much safer for all road users.

I will work with partners to improve opportunities for younger people living in our villages, ensuring that they have the best possible start in life and can remain living and working where they grew up.

I will work with our local health organisations to attract greater provision to our area, which will mean a greater range of choice for all. As well as making sure our older and younger residents can access the provision they need.

I will continue to work with all fourteen Parish Councils, Community Groups, and to be available to all, by email, telephone, letter, Facebook messenger, SMS and home visits.

I will continue to represent you with experience and integrity.

Don't forget you have two votes - one for your local County Councillor and one for the Police and Crime Commissioner.

Yours sincerely,

*Joe Orson*

**Conservative Candidate for Melton Wolds Division**

## ENFORCE ROAD WEIGHT RESTRICTIONS

I will lobby for legislation to give extra resources to County Councils to implement the 7.5 Tonne weight limits on our country lanes.

## SUPPORT OUR OLDER AND YOUNGER RESIDENTS

I will continue to work to increase support for older and younger people, making sure services can be accessed easily when needed.

## IMPROVE LOCAL HEALTH PROVISION

I will continue to work with our local Health partners to attract greater health provision across our area, ensuring residents have access to choice.

# 6 Good reasons to Vote Conservative...

### 1 BUILD A GREENER FUTURE FOR FAMILIES

We will plant 700,000 trees across the County over the next four years as well as investing over £16m to reduce our greenhouse gas emissions.

### 3 IMPROVE OUR HIGHWAYS

We will invest in our highways and increase the number of cycleways and pedestrian routes across the County.

### 5 INVEST IN ADDITIONAL ROAD SAFETY

Speeding impacts all of our communities. It is our pledge to invest more money into average speed cameras to keep everyone safe.

### 2 PROTECT THE MOST VULNERABLE

We will work closely with communities, the NHS and partner agencies to ensure that those who most need our help and support get it.

### 4 CONTINUE INVESTING IN BROADBAND

We will continue our roll out of superfast broadband across the County to benefit households and businesses who rely on a good internet service.

### 6 IMPROVE FLOOD DEFENCES

We will continue to press the government to secure part of their £4bn budget for flood defences over the next four years.

## RUPERT MATTHEWS

# My Plan to make Leicestershire safer

 **Visible Policing** - Will help to deter crime, improve security and make it easier to report problems

 **Hi-Tech Policing** - Equipping frontline officers with drones, body cams and tasers, will give them the tools to keep us safer.

 **Local policing teams** - They know their local area best. I will empower them to make the decisions which will keep their communities safe

 **Community Policing** - Our police will work with our communities to better understand localised crime

 **More Police** - I will put more police on to our streets and into our communities to cut crime and catch criminals.

 **Rural Policing** - I will put in place a Rural Policing Plan to tackle the crimes that plague rural areas
