

Local Elections - Thursday 6 May

QUORN AND BARROW

HILARY FRYER

County Council
Candidate

During the past four years as your County Councillor, I have worked hard to maintain and where possible improve services. I have lived in Barrow for more than 30 years and consider both villages my home. I have built up good relations with the Police to ensure our villages are as safe as possible.

Being also a Borough Councillor enables me to work closely to ensure all residents receive the best possible services. This will continue if I am re-elected on Thursday May 6th.
